

CERL SEMINAR IN BUDAPEST

31 May 2019

# Digital Technologies in

## the Investigation of Handwritten and Printed Heritage

### Dear Colleagues,

We are pleased to invite you to the seminar “**Digital Technologies in the Preservation of Handwritten and Printed Heritage**”, which will take place on **31 May 2019 in the National Széchényi Library, Budapest.**

The seminar organized by the National Széchényi Library and the Association of Ecclesiastical Libraries in Hungary will bring together the Hungarian colleagues with the representatives and close collaborators of the Consortium of the European Research Libraries (CERL) in order to present case studies and to explore the opportunities digital techniques offer in the preservation and the processing of our common heritage.

Please find the programme attached.
